

Habitat Partners of Arizona

With the rapid loss of open space to development, wildlife habitat is being reduced at a rate of 7 square miles per day. Arizona's elk herds are losing traditional migration corridors, calving grounds, forage meadows and other important habitat. The new "Habitat Partners of Arizona" program is designed to help protect that land. The main focus of this program will be to preserve land and prevent the rapid decline of Arizona's elk habitat.

HERE'S HOW YOU CAN HELP: Become a Habitat Partner with your tax deductible donation starting at \$2500 (\$1000 for 17 and under).

Payment Plan Available: \$500 minimum commitment per year. You will be recognized for a donation level once your payments reach that level for each level you attain.

All program participants that reach the \$2500 level and above (\$1000 for youth) will be recognized in literature and on the AES website and will receive a plaque at each level.

If you are interested in donating property or a conservation easement, the AES will work with you to designate the appropriate level based on the value of the donation.

DONATION LEVELS:

- Legacy Partner* \$500,000
- Habitat Guardian* \$250,000
- Monarch Partner* \$50,000
- Imperial Partner* \$25,000
