Directions from Woods Canyon Lake:

From HWY 260 take FS 300 to FS34. Go about 21 miles to the forest boundary. At the Forest boundary FS23 heads to the west. Turn on FS23. You will go about 3 miles when the road turns into FS63 road. You will be near Chevelon Butte at this point. Follow FS63 to FS63A road at about 3.8 miles. Continue on FS63A for about 1 mile to a gate. Go through the gate and about 100yards there is a road that turns left and heads to a grassy bottom. You then go a short distance before the road curves back to the right and climbs up a small ridge. We will have signs on the roads. The GPS coordinates for camp are 34 41.464 100 55.334
