Hunts for Heroes uses the AZGFD Tag Transfer Program to provide Arizona big game hunts to our nation's disabled veterans. To qualify for Tag Transfer under A.R.S.17-332, you must be **A VETERAN OF THE ARMED FORCES OF THE UNITED STATES WHO HAS A SERVICE-CONNECTED DISABILITY.**

For the purposes of the previous paragraph, disability means: **“a permanent physical impairment that substantially limits one or more major life activities requiring the assistance of another person or a mechanical device for physical mobility.”**

This definition stated within A.R.S. 17-332 pertains to a physical condition, not percentage of disability. It is possible for an individual to have a 100% disabled VA rating, yet not qualify for big game tag transfer based on the definition within A.R.S.17-332.

All individuals applying to the Arizona Elk Society's Hunts for Heroes program must submit a **completed physician's form** confirming the veteran's status as meeting the State of Arizona's standards regarding physical disability. (see Medical Doctor Page)

**NOTE:** To be approved as a participant in the Hunts for Heroes program, we will need proof of your veteran status (veteran ID, DD214, or other government issued document) --- feel free to redact personal information.

To help us deliver a quality experience in an outdoor environment which may include rugged hunting conditions, please provide any pertinent information you have that may affect your hunt. Do you have limitations walking? If yes, how far before rest is needed? If you use a wheel chair, is it motorized or must it be pushed by someone else? Does the motorized chair need to be charged? Do you use oxygen tanks? How do you fare in cold-weather conditions (hands / feet)? All information you furnish will help us provide the best experience possible.
